BOARDIES DAY

Friday 16th September – A great chance to have fun while doing fundraising! If you can take part at your workplace, school or sporting group, go to the link below:

BUNNINGS BBQ SOUTHPORT – SAT 12TH NOVEMBER

Through Surf Life Saving Foundation we have received a great opportunity to do a Bunnings BBQ. They are supplying everything – we just have to supply manpower and set up a static display. Rather than make it a long day for a few people, we would like to schedule people for 2-3 hours so let Mandy know if you can assist.

COACH'S CORNER

G'day sports fans!

Our surf competitors have been hard at it preparing for the new season. We have a fantastic group of people who enjoy training and surfing together and are eager to represent the club. New faces in Taylor Hardy, TJ Hendy and Jake Clutterbuck have joined returning member Tara Ferguson to add their own spark to our sessions. We are also looking forward to having Chelsea Mackenzie back on board soon!

Our first event was held at Bilinga recently and all those that donned the club cap and togs did us proud. Zac Orchard registered his first ever win in a ski race (nice work mate!) while Peta Newbold backed up her good form of last season to finish 3rd and 4th in the ski and board in her age division.

Both Zac and Peta headed to Noosa to compete in the Kellogg's Ironman Series Trials last weekend. This was a big positive for the club. They competed well and enjoyed the experience and are now looking forward to next year. We also had the biggest, most vocal support group there so thanks to all those who made the trip!

Next on the list is the Coolangatta Gold on 25th September. Peta will join Luke Bartlett, Luke Lorenzin, Ty Hoskins and Ben Meikle to take on the challenge. Once again it is fantastic for Surfers to have these guys committing their time and effort to such a gruelling event. They certainly set a good example for others who may wish to do the same in the future.

Training will change to include **Tue and Thu mornings (as of the week beginning Monday 5th September)**. Tue may end up as an extra swim session further down the track. If you have any questions please contact me; tozayne@hotmail.com or 0418 761 681.

See you out there!

NIPPERS

We would like to welcome all members that signed on last weekend. It was great to see the sun out and good conditions for our first 30 kids to complete their proficiency. We are looking forward to a fantastic season.

Our next proficiency days will be Sunday 4th and 11th Sep. Meeting at Southport Olympic pool at 7-9am for the pool swim, then head to the beach to complete the run-swim-run. If you have any questions please call me on 0417 494 339 or email sarahwaggie@hotmail.com Look forward to seeing you all back on the beach soon.

Howdy y'all. Warm greetings from Austin, Texas. Welcome to the 2011/ 2012 season. We didn't have much of an off season running a few courses and prepping for the upcoming proficiencies and junior evaluations. New Trainers

Congratulations Darren Bailey on attaining his Training Officer Surf Rescue and welcome on board to our "trainers in training" Sean Holden, Bronwyn Abraham and Shane Pierce; great to have you join us. We're always looking for members wanting to provide some additional give back, but also cement their own knowledge and skills. Just ask any member of the team if you're keen!

Proficiency

It's that time of year again! Our 3 dates this year are:

Saturday 10th September

Sunday 16th October

Saturday 12th November

We will aim to commence at Southport Aquatic Centre for pool swims at 7am, followed by the Club session starting at 8:30am. If you're not already, now would be a good time to get back into the pool and do some laps!

This season we have the option to complete an online theory assessment so you only need to bring the printed completion certificate with you. It takes a fraction of the time and helps you choose the correct answers, plus gives you the updates needed to complete some of the questions.

Instructions for completing the online theory assessment can be found on SLSQ's web site as

<http://www.lifesaving.com.au/default.asp?contentID=898>.

Please note that the Club cannot help you if you have difficulty logging in; you need to use the paper form at the bottom of the page. Remember to bring this on the day!

IRB proficiencies will be conducted centrally by SLSQ, with our sessions to be held at Northcliffe. You must register to attend any of these sessions:

Saturday 10th September - 8am

Sunday 11th September - 8am

Saturday 8th October - 8am

Saturday 12th November - 8am

For all water based activities (Club or IRB) you must wear a Club competition cap; not a patrol cap.

I'll circulate the paper based resources in the next few days by email, so keep an eye on your email!
